## VISA BULLETIN FOR APRIL 2007

### A. STATUTORY NUMBERS

1. This bulletin summarizes the availability of immigrant numbers during April. Consular officers are required to report to the Department of State documentarily qualified applicants for numerically limited visas; the Bureau of Citizenship and Immigration Services in the Department of Homeland Security reports applicants for adjustment of status. Allocations were made, to the extent possible under the numerical limitations, for the demand received by March 8th in the chronological order of the reported priority dates. If the demand could not be satisfied within the statutory or regulatory limits, the category or foreign state in which demand was excessive was deemed oversubscribed. The cut-off date for an oversubscribed category is the priority date of the first applicant who could not be reached within the numerical limits. Only applicants who have a priority date earlier than the cut-off date may be allotted a number. Immediately that it becomes necessary during the monthly allocation process to retrogress a cut-off date, supplemental requests for numbers will be honored only if the priority date falls within the new cut-off date.

2. Section 201 of the Immigration and Nationality Act (INA) sets an annual minimum family-sponsored preference limit of 226,000. The worldwide level for annual employment-based preference immigrants is at least 140,000. Section 202 prescribes that the per-country limit for preference immigrants is set at 7% of the total annual family-sponsored and employment-based preference limits, i.e., 25,620. The dependent area limit is set at 2%, or 7,320.

3. Section 203 of the INA prescribes preference classes for allotment of immigrant visas as follows:

### FAMILY-SPONSORED PREFERENCES

First : Unmarried Sons and Daughters of Citizens: 23,400 plus any numbers not required for fourth preference.

Second : Spouses and Children, and Unmarried Sons and Daughters of Permanent Residents: 114,200, plus the number (if any) by which the worldwide family preference level exceeds 226,000, and any unused first preference numbers:

A. Spouses and Children: 77% of the overall second preference limitation, of which 75% are exempt from the per-country limit;

B. Unmarried Sons and Daughters (21 years of age or older): 23% of the overall second preference limitation.

Third : Married Sons and Daughters of Citizens: 23,400, plus any numbers not required by first and second preferences.

Fourth : Brothers and Sisters of Adult Citizens: 65,000, plus any numbers not required by first three preferences.

### EMPLOYMENT-BASED PREFERENCES

First : Priority Workers: 28.6% of the worldwide employment-based preference level, plus any numbers not required for fourth and fifth preferences.

Second : Members of the Professions Holding Advanced Degrees or Persons of Exceptional Ability: 28.6% of the worldwide employment-based preference level, plus any numbers not required by first preference.

Third : Skilled Workers, Professionals, and Other Workers: 28.6% of the worldwide level, plus any numbers not required by first and second preferences, not more than 10,000 of which to "Other Workers".

Fourth : Certain Special Immigrants: 7.1% of the worldwide level.

Fifth : Employment Creation: 7.1% of the worldwide level, not less than 3,000 of which reserved for investors in a targeted rural or high-unemployment area, and 3,000 set aside for investors in regional centers by Sec. 610 of P.L. 102-395.

4. INA Section 203(e) provides that family-sponsored and employment-based preference visas be issued to eligible immigrants in the order in which a petition in behalf of each has been filed. Section 203(d) provides that spouses and children of preference immigrants are entitled to the same status, and the same order of consideration, if accompanying or following to join the principal. The visa prorating provisions of Section 202(e) apply to allocations for a foreign state or dependent area when visa demand exceeds the per-country limit. These provisions apply at present to the following oversubscribed chargeability areas: CHINA-mainland born, INDIA, MEXICO, and PHILIPPINES.

5. On the chart below, the listing of a date for any class indicates that the class is oversubscribed (see paragraph 1); "C" means current, i.e., numbers are available for all qualified applicants; and "U" means unavailable, i.e., no numbers are available. (NOTE: Numbers are available only for applicants whose priority date is earlier than the cut-off date listed below.)

<b>Fam-ily</b>	<b>All Charge-ability Areas Except Those Listed</b>	<b>CHINA-mainland born</b>	<b>INDIA</b>	<b>MEXICO</b>	<b>PHILIPP-INES</b>
1st	08MAY01	08MAY01	08MAY01	01JAN94	22FEB92

The Department of State has available a recorded message with visa availability information which can be heard at: (area code 202) 663-1541. This recording will be updated in the middle of each month with information on cut-off dates for the following month.

Employment Third Preference Other Workers Category: Section 203(e) of the NACARA, as amended by Section 1(e) of Pub. L. 105 - 139, provides that once the Employment Third Preference Other Worker (EW) cut-off date has reached the priority date of the latest EW petition approved prior to November 19, 1997, the 10,000 EW numbers available for a fiscal year are to be reduced by up to 5,000 annually beginning in the following fiscal year. This reduction is to be made for as long as necessary to offset adjustments under the NACARA program. Since the EW cut-off date reached November 19, 1997 during Fiscal Year 2001, the reduction in the EW annual limit to 5,000 began in Fiscal Year 2002.

## B. DIVERSITY IMMIGRANT (DV) CATEGORY

Section 203(c) of the Immigration and Nationality Act provides a maximum of up to 55,000 immigrant visas each fiscal year to permit immigration opportunities for persons from countries other than the principal sources of current immigration to the United States. The Nicaraguan and Central American Relief Act (NACARA) passed by Congress in November 1997 stipulates that beginning with DV-99, and for as long as necessary, up to 5,000 of the 55,000 annually-allocated diversity visas will be made available for use under the NACARA program. **This reduction has resulted in the DV-2007 annual limit being reduced to 50,000.** DV visas are divided among six geographic regions. No one country can receive more than seven percent of the available diversity visas in any one year.

For April, immigrant numbers in the DV category are available to qualified DV-2007 applicants chargeable to all regions/eligible countries as follows. When an allocation cut-off number is shown, visas are available only for applicants with DV regional lottery rank numbers BELOW the specified allocation cut-off number:

Region	All DV Chargeability Areas Except Those Listed Separately	
AFRICA	17,700	Except: Ethiopia 15,400 Nigeria 10,750
ASIA	5,125	
EUROPE	15,100	Except: Ukraine 10,700
NORTH AMERICA (BAHAMAS)	7	
OCEANIA	825	
SOUTH AMERICA, and the CARIBBEAN	1,240	

Entitlement to immigrant status in the DV category lasts only through the end of the fiscal (visa) year for which the applicant is selected in the lottery. The year of entitlement for all applicants registered for the DV-2007 program ends as of September 30, 2007. DV visas may not be issued to DV-2007 applicants after that date. Similarly, spouses and children accompanying or following to join DV-2007 principals are only entitled to derivative DV status until September 30, 2007. DV visa availability through the very end of FY-2007 cannot be taken for granted. Numbers could be exhausted prior to September 30.

#### C. ADVANCE NOTIFICATION OF THE DIVERSITY (DV) IMMIGRANT CATEGORY RANK CUT-OFFS WHICH WILL APPLY IN MAY

For May, immigrant numbers in the DV category are available to qualified DV-2007 applicants chargeable to all regions/eligible countries as follows. When an allocation 20-off number is shown, visas are available only for applicants with DV regional lottery rank numbers BELOW the specified allocation cut-off number:

Region	All DV Chargeability Areas Except Those Listed Separately	
AFRICA	20,550	Except: Ethiopia 17,100 Nigeria 12,375
ASIA	5,825	
EUROPE	16,000	Except: Ukraine 11,100
NORTH AMERICA (BAHAMAS)	7	
OCEANIA	900	
SOUTH AMERICA, and the CARIBBEAN	1,450	

#### D. RETROGRESSION OF THE MEXICO AND PHILIPPINES FAMILY THIRD PREFERENCE CATEGORY CUT-OFF DATES

It has been necessary to retrogress the cut-off dates for the Mexico and Philippines Family Third preference category for the month of April in an attempt to keep the issuance level within the annual numerical limit. Further retrogression or "unavailability" in future months cannot be ruled out.

#### **E. VISA AVAILABILITY DURING THE COMING MONTHS**

Family-sponsored: It is likely that the Mexico Family First preference cut-off date will retrogress for the month of May.

Employment-based: It is likely that the Employment Third Preference "Other Worker" (EW) category will become unavailable beginning in May.

Both of these issues are the direct result of low annual limits and very heavy demand for numbers, primarily for adjustment of status cases at Citizenship and Immigration Services Offices.

#### **F. OBTAINING THE MONTHLY VISA BULLETIN**

The Department of State's Bureau of Consular Affairs offers the monthly "Visa Bulletin" on the INTERNET'S WORLDWIDE WEB. The INTERNET Web address to access the Bulletin is:

**<http://travel.state.gov>**

From the home page, select the VISA section which contains the Visa Bulletin.

To be placed on the Department of State's E-mail subscription list for the "Visa Bulletin", please send an E-mail to the following E-mail address:

**[listserv@calist.state.gov](mailto:listserv@calist.state.gov)**

and in the message body type:

**Subscribe Visa-Bulletin *First name/Last name***  
**(example: *Subscribe Visa-Bulletin Sally Doe*)**

To be removed from the Department of State's E-mail subscription list for the "Visa Bulletin", send an e-mail message to the following E-mail address :

**[listserv@calist.state.gov](mailto:listserv@calist.state.gov)**

and in the message body type: **Signoff Visa-Bulletin**

The Department of State also has available a recorded message with visa cut-off dates which can be heard at: (area code 202) 663-1541. The recording is normally updated by the middle of each month with information on cut-off dates for the following month.

Readers may submit questions regarding Visa Bulletin related items by E-mail at the following address:

**[VISABULLETIN@STATE.GOV](mailto:VISABULLETIN@STATE.GOV)**

(This address cannot be used to subscribe to the Visa Bulletin.)
